

# Minutes of the Meeting 15-3-25

Date: 15-03-2025

Time: 3:00 PM

Attendees: Nilanjana De, Shravani K

Meeting platform: Physical

## Agenda:

- Finalisation of frontend design and client feedback

## Discussion:

- The client is satisfied with overall frontend progress
- The team presented the final UI design of the frontend based on previous feedback.
- The team also presented the Home Page of the website after coding.
- Feedback given to the team by the client :
  - Background image for announcements: Users should have the option to add/edit background image for an announcement. If no such image is added, the default image assigned to each office is used as background for their announcement.
  - Link to IIITH portals (IMS, Help portal, Mess etc.) to be either displayed as a separate page (with link in navbar) or as a section in the Home page.
- MongoDB to be used for database management.
- The client will not be available for DASS Project R1 evaluation.

## Future work:

- Complete the code for the website's frontend.
